FINISH

Directions:

1. Roll one die for an even or odd number.
2. Select an even or odd card based on your die roll.
3. Move your diatom(s) along the game board based on your die roll and card information.
4. The first player to move all of their diatoms to the FINISH cloud is the winner.

Diatom Adventures© was developed by Miriam Sutton, M.A., NBCT as part of an education outreach component for NSF# 1334935 (Collaborative Research: Investigating the Ecological Importance of Iron Storage in Diatoms)
